

Budget Brief – DNR Building Operations

NUMBER: NRAS-BB-08-03

SUMMARY

The Department of Natural Resources' building at 1594 West North Temple was completed in FY 1996. Prior to FY 1996 the divisions were housed in four different locations. The new DNR building was financed through a revenue bond, with bond payments roughly equal the old rent payments. Approximately \$980,000 of this program's funding goes for bond payments and the remainder for maintenance, utilities, etc. through DFCM. For more detailed information on this line item, please see Compendium of Budget Information for the 2008 General Session, page 17.
